## We'll Make Good

EVERY WORD IN OUR "ADS."

A quiet investigation into the extravagant statements and bubble advertisements that are thrown broadcast to the public sooner or later results in the finding out of the difference between **Fact and Fiction**. The former we deal with—the latter we don't. Our Clothing, our prices and our statements always match our ads.

It's a Fact when we say we've the best Spring Clothing in town for men's, boys' or children's wear. It's a Fact when we say we've the best of Hats, and all sorts of Toggery for men and boys. It's a Fact when we say our prices are the lowest that can be named on our qualities. Come in and let us "make good" our statements.
